Is there any order wherein it is laid down that the advertisements of books available for sale in the Central Book Depot Bangalore, are to be sent direct by the Curator of the Book Depot to the Press.

The Heads of Departments advertise Govt notices etc for public information in the Official Gazette Please put up the order whereby they send these for publication in the Gazette direct to the Press Office Supdt.

The matter is delayed & hence a very early compliance is requested

There seems to be no general order on the subject the Dfl simply refers to a practice

No 8340/273 Camp ~~Jnyngulore~~ Kunigal 24th March 1902

From

H J BHABHA Esq
Inspector General of Education in Mysore

To

A V Narayandaya Esqre M A M L
Secretary to the Government of Mysore
in the Revenue and General Departments

SIR,

I have the honour to inform you that the Compiler of the Mysore Gazette declines to receive Notifications for publication signed by the Curator of the Central Book Depôt as has been the practice hitherto and states in his Docket No 261 dated 13th March 1902 to me that "until Government passes an order authorising him (i e the Curator) to send the Notifications direct to the Press for publication in the Mysore Gazette the undersigned declines to receive them" The Curator has often to advertise school books and the legal and other publications of Government. I request that he may be authorised to send such advertisements and Notifications relating to the Book Depôt signed by himself direct to the Compiler as has been the practice hitherto and as is the practice in British India In Madras even Sub Assistant Inspectors of Schools advertise for tenders over their own signature in The Fort St George Gazette The objection taken by the Compiler of the Mysore Gazette appears to me to be frivolous

I have the honour to be
Sir
Your most obedient servant
H J Bhabha
Inspector General
